Welcome Message

Dear Colleagues,

On behalf of the organizing and the scientific committees, it is with great pleasure that we invite you to participate at **"4th International Gynecology and Obstetrics Conference"** to be held on **18-19 January, 2025 at Sofitel Hotel, Abu Dhabi, UAE.**

The conference aims to focus on trending topics and crucial challenges faced by the obstetricians and gynaecologists locally and in the region including updates, Clinical Obstetrics, Reproductive Medicine, Gynaecologic Oncology, Fetal and Neonatal Medicine and to educate the delegates from a global perspective through these various collaborations. The scientific committee has teamed up with national and international societies, in offering a comprehensive program that covers the latest clinical advances in research and cutting-edge topics in daily practice, the most recent development and management of the rapidly evolving health care requirements, as well as demonstrating live practice surgery by well-known surgeons in the field.

The meeting will feature some of the world-class experts in obstetrics and Gynecology from the USA, Europe, Middle East, in addition to an elite roster of eminent local speakers that will cover a broad range of topics, plenary sessions, state-of-the-art lectures, interactive sessions, case discussions, workshops, debates and livelier interaction with leaders and experts to encourage exchange of knowledge, experience and best practices for the betterment of Women's Health.

The scientific and industrial exhibits will present the latest information and provide attendees with insight into the ongoing changes in obstetrics and Gynecology.

This unique event will offer a superb opportunity for physicians and specialists to attend expert updates and to share best practices and experiences and to network with new and established colleagues, creating and strengthening clinical collaborations.

Through the Conference we hope to promote the well-being of women and to raise the standards of practice and consider ways towards better care for OB Gynae patients. and help experts in this field to develop and excel.

We look forward to welcoming you in Abu-Dhabi to share your experiences and innovative ideas.

This is an event not to be missed!
