EVENT SUMMARY

Dear Colleagues,

We are delighted to present the post-event summary of the highly successful **13th International Neonatology Conference on 'Hottest Topics in Neonatal Medicine'** that took place on May 17-19, 2024, at the Grand Hyatt Hotel in Abu Dhabi, UAE. This exceptional conference showcased the latest advancements in neonatal care and research, bringing together a distinguished panel of local and international faculty, boasting decades of experience from leading institutes.

The scientific program was thoughtfully curated to address key issues, highlight the newest breakthroughs, and explore the latest controversies in neonatology. Renowned national and international speakers, alongside leading experts in various subspecialties, delivered state-of-the-art knowledge and insights, providing comprehensive and up-to-date research-based answers to the most pressing questions encountered in everyday neonatal practice.

The conference covered a wide range of fascinating topics, including neonatology advancements, birth complications, neonatal cardiology, neonatal endocrinology, neonatal nutrition, neonatal infection, neonatal surgery, brain injury, ventilation, neuroprotection, quality improvement, ethical considerations, and the future of neonatology, hands-on workshops, among others. The event fostered an enriching environment for fruitful interactions and the sharing of clinical and research experiences among colleagues in the neonatal community.

The conference has garnered endorsement from several international medical organizations and hosted distinguished experts and prominent neonatologists from premier medical institutes in the United States, Europe, Australia, the Middle East, and the United Arab Emirates. This unique event provided abundant opportunities for participants to network, collaborate, and share ideas, ultimately enhancing the quality and safety practices for neonatal care in the region and worldwide.

The positive feedback from participants highlighted the conference's role as a premier platform for knowledge-sharing, collaboration, and the advancement of neonatal medicine. The organizing committee's dedication and the support of our valued sponsors, the Department of Culture and Tourism, Abu Dhabi Convention and Exhibition Bureau, and MENA Conference were instrumental in making this conference a resounding success.

We eagerly anticipate welcoming you to the 14th edition on 18-20 April, 2025 in our beautiful city of Abu Dhabi, where we will continue to advance the frontiers of neonatal medicine.
